

## Notice of School Board Election

Two seats on the Guffey Community Charter School Board of Directors are up for election this year. Both Board members currently holding those seats have announced their intent to run. Any member of the Guffey community who is 18 years of age or older is eligible to sit on the Board if they meet the requirements laid out in GP-14. If you are interested in running for a seat, you must give written notice before March 17, 2025. Your notice can be submitted to the Board by leaving it with the school Administrator or by email to [clp@guffeyschool.org](mailto:clp@guffeyschool.org). An election will only be held if more than two candidates apply. If there is an election, it will be held on April 16, 2025.

Interested parties should familiarize themselves with the school's governance policies, available at <https://guffeyschool.org/resources/admin/pol/>, in particular the Ends policies and GP-3 (Board Job Description) and GP-14 (Policy for Board Membership). Per GP-14, those standing for a Board seat must sign and agree to the following statement:

*I affirm that I understand and support the Governance Policies of the Guffey Community Charter School.*

*I understand that the Guffey Community Charter School is governed through the Carver Policy Governance Model. I support the Carver Policy Governance Process and commit to training in its implementation.*

*I affirm that I have read and understand the policies of the Board as they relate to Board duties and responsibilities.*
