Summary:

Guffey Community Charter School (GCCS) is seeking a dynamic and committed K-2 teacher for our K-2 multi-grade classroom. This position will start as soon as possible.

Each of our 3 classrooms are multi-grade and our average student enrollment is 25-30 with roughly 10 students per classroom (K-2 is usually 5 to 10). This is part of the charm of Guffey School, in addition to working in a beautiful mountain paradise.

GCCS is a public charter school authorized by the Park County RE-2 District in rural Park County serving students kindergarten through 8th grade and is located in the off-the-beaten-path town of Guffey, CO. Our school building is small and sits on a forested 20 acres. Guffey is a tiny, beautiful, mountain town, about 1.5 hours from Colorado Springs, CO, 45 minutes from Woodland Park, or 40 minutes from Canon City. The area abounds with year-round natural beauty. Our town population is roughly 100 and Guffey provides endless outdoor activities, 2 restaurants, a bakery, an organic market, a post office, a library, a community center and an antique store. Our school is heavily integrated with and supported by our community in the way of volunteers and monetary donations. We are searching for the right person to join our school and to teach our K-2 students. GCCS truly is a special place and offers the opportunity to work in a small school with a classroom that rarely goes over 15 students.
